Dear HHCC member,

We are hope you and your families are well at this time and we are looking forward to welcoming you back to the club at some point this season. Although there will be no matches undertaken before August 1st, we continue to work towards providing cricket for all of our members as the weeks progress.

In line with COVID-19 guidance provided by the Government and the ECB, we are planning to resume training for members from **Friday June 19th**.

Who, what when, booking procedures.

Attached, you will find clear and detailed procedures for all members who wish to return to training in the coming weeks. Attendees must ensure they are aware of all procedures in advance of attending any session. **These procedures are compulsory for all players, coaches, parents and other attendees.**

We will be implementing a screening process before participation in any net session or game at Hampton Hill CC. **All individuals will be asked the Members / Visitor Screening Questions below which must be completed on the day of the training session.**

In the event of an affirmative answer of 'Yes' to any of the Members / Visitor Screening Questions, or a refusal to answer any of the questions, you will not be allowed to attend or participate in the session or the game. If an individual has answered 'Yes' and has arrived with other individuals, all individuals arriving in the vehicle will be denied access.

1. Are you currently experiencing any flu-like symptoms including fever, body aches, sore throat, cough, or shortness of breath?
2. Have you been in contact with a confirmed novel coronavirus (COVID-19) patient in the past 14 days?

If you have any questions, concerns or queries before the session, please refer them to your designated lead: Seniors – Rob Fullicks (robertfullicks@hotmail.com); Juniors – Dave Mackinney (d.mackinney@sky.com)

On the day, please refer any queries or questions to your coach or the Club Representative

We appreciate your continued support in our efforts to prevent the spread of COVID-19. There is an element of self-governance during these challenging times and we would ask that all members consider the welfare of your teammates, members and families if you are experiencing any of the symptoms above.

Thank you in anticipation of your support

Dave Mackinney

President.

Remember Protect Yourself and Others

- Do not attend if you are feeling unwell.
- Keep your distance - Do not congregate, maintain a distance of at least 2M from others.
- Avoid physical contact such as handshakes, hugs, cheek kissing, etc. Safe greetings include a wave, a nod or a bow.
- Wash your hands thoroughly and frequently and use the hand sanitisers provided.
- Cough and sneeze into a tissue or the crook of your arm - Cover your mouth and nose with a tissue or flexed elbow when coughing or sneezing. Throw used paper tissues into a sealed waste bin after use.
- Eat and drink away from others – Bring your own food and water.
- Follow the procedures provided by the club.
